THE HOTEL LOBBY

The Public Areas

Be in awe of the timeless charm of Çırağan Palace Kempinski Istanbul, where history meets innovation. Experience the grand transformation that seamlessly blends rich heritage with modern elegance, creating an enchanting masterpiece that captivates all who enter.

THE HOTEL ENTRANCE AREA

- Drawing inspiration from historical palace gardens, the entrance harmonises with nature and foliage.
- Adorned columns with lattice cladding add elegance, while dome-shaped ceilings exude grandeur.
- Striped curtains enhance the design theme, and the flooring features podima pebbles for a natural and textured touch.

GUEST FLOORS

- The hotel floor maintains a seamless connection between the corridors and the lobby area.
- The mirrored folding screens reflect light and add an element of opulence, enhancing the ambience.
- Specially designed lamp shades accentuate the luxurious atmosphere of the palace hotel.

THE HOTEL LOBBY

- The octagonal seating unit is the central focal point, reminiscent of large palace halls.
- The turtle figure carrying a globe symbolises longevity and wisdom, connecting to the turtle and tulip festivities in Çırağan Palace.
- The 16th- and 17th-century Iznik ceramics adorn the reception and concierge walls, showcasing historical artistry.
- Unique Venetian-style chandeliers with striped hats add a contemporary touch to a classical model.

Rooms & Suites

Traditional Magnificence of the Ottoman Empire: The redesigned rooms and suites exude grandeur and opulence reminiscent of the Ottoman Empire. The designers' artistic expertise is infused with modern elements, creating a harmonious blend of tradition and innovation.

- The corridors draw inspiration from ostentatious Ottoman tents, adding a regal touch to the design.
- Different room colours are used to symbolise the historical periods of the Ottoman era. Headboards adorned with Çintemani represent the dynasty and wealth, while the tulip-patterned motifs reflect the tulip period. Mother-of-pearl furniture adds a touch of luxury and elegance to the rooms and suites.
- The marble bathrooms pay homage to Turkish bath traditions, offering a luxurious bathing experience. The bathrooms feature grey-on-grey inlaid marble walls, showcasing the Ottomans' expertise in creating intricate marble patterns.
- The coffered ceilings with geometrical patterns and the straw-patterned carpet draw inspiration from Ottoman palaces and traditional carpets.
- The seat designs are inspired by Ebru, the ancient Turkish art of marbling, adding an artistic touch to the rooms.
- Signature Royal Ottoman Suite: This luxurious suite features two elegant bedrooms, an octagonal dining area, a living room and three balconies. Inspired by the Bosphorus, its decor showcases pastel blues, greenish blues and celadon colours. The master bedroom boasts a bronze four-poster bed reminiscent of ancient palaces and Ottoman architecture. Specially crafted onyx marble bathrooms with a private Turkish hammam and steam room offer a luxurious and spacious ambience for relaxation.

Exquisite Dining Unveiled: Two Brand-New Restaurants Deliver Unique Gastronomic Experiences

Çırağan Palace Kempinski Istanbul's culinary scene reaches new heights with the addition of two exquisite restaurants.

AKDENIZ

The all-day dining restaurant of the hotel offers a delightful Mediterranean cuisine theme.

- The entrance area, inspired by historical libraries and private clubs, features green colours and serves as a meeting point with a library concept adorned with books on Istanbul and Turkish culture.
- The folding screens have custom-designed wallpaper that invokes the feeling of being in a Mediterranean garden within the restaurant.
- The buffet areas have been elegantly redesigned, offering savoury delicacies with a sophisticated touch of style.
- Navy blue and white lines evoke the nautical theme of the Mediterranean, adding a contemporary touch to the space.
- The opening of the curtains adds a theatrical and ceremonial feel to the restaurant space.
- The restaurant's modular design incites a sense of journey, complemented by lush gardens and Bosphorus views, creating an enchanting setting for a memorable dining experience.
- The menu invites guests to indulge in delicious plates prepared for sharing and cooked on a wood fire, masterfully blending unique Turkish flavours with Mediterranean touches.

GAZEBO

The Gazebo preserves the historical value of the hotel while infusing a hint of modernity, offering a simple, refreshing and glamorous space. The design reinterprets Ottoman garden art, creating the impression of being in a royal orangery.

- The restaurant's elegant redesign features a blue-themed pathway connecting the hotel lobby to the Bosphorus, adorned with beautiful Ottoman Iznik ceramic panels.
- Gazebo offers four symmetrical seating areas, each inspired by a 'quadrilateral garden' design, representing tulips, roses, carnations and hyacinths.
- The calming effect of green and blue hues in the colour palette creates a garden-style atmosphere, inviting relaxation with comfortable sofas, wicker armchairs and faux bamboo pieces.
- The menu offers a world of indulgence with delicious sandwiches, à la carte breakfast, salads, snacks and many more. Experience afternoon tea and special drinks with a stylish and spacious ambience by the Bosphorus.
